## Experience

### President - Chaos Theory Inc. Apr 2012 - Present

Independent Contractor for the US Government that was a Team Lead for the High Threat Protection PSD. Established and operated an independent duty medical clinic in remote hostile and combat regions of the world.

### Company Senior Medic - 1st Ranger Battalion - US Army June 2005 - Mar 2010

Responsible for keeping the Infantry companies medical records up to date as well as the medical readiness of the entire company. I was the senior medical professional while overseas and in charge of tasking junior medics to missions and staffing the medical clinic.

- In charge of 8 junior medics and 120+ infantry soldiers for medical operations and readiness
- 4 combat deployments ( 2 OIF / 2 OEF) with over 300 direct action missions
- Treated numerous US soldiers and local nationals
